

ANNOUNCEMENT

The Community Council of Kouklia has included Ha-Potami and Aphrodite Hills areas in the Green Dot Door-to-door PMD and paper collection

The Community Council would like to inform its residents that after reaching an agreement with Green - Dot Cyprus, from June 09, 2022, Aphrodite Hills and Ha-Potami areas are officially part of the Green Recycling Program "Door to Door".

The collection of recyclable materials will be taking place every Thursday and will start at 06:00 in the morning.

The categories in which you need to separate your packages are: PMD, Paper and Glass. The PMD and Paper categories must be placed in the special transparent and brown recycling bags, prior to being placed on the sidewalk of your home, for collection by Green Dot team. The glass will be collected from the special bins, bell type, which will be available in various points.

PMD Materials in Transparent Bag: Plastic Bottles, Containers and Bags, Metal Packaging, TETRA Packaging PAK (NO plastic toys, plastic chairs, plastic cups / plates, polystyrene)

Paper in Brown Bag: Dry cartons, Newspapers, Magazines, Books, Advertising leaflets, (NO paper towels, paper wrappers, toilet paper, juice packages)

Glass in Special Buckets: Glass Bottles, Food Jars (NO window glasses, mugs, lamps, porcelain dishes and glassware)

The Community Council will supply you with 2 free rolls of bags (1 transparent for PMD and 1 brown for paper). The supply of free bags by the Community Council will be done only once. Afterwards, the supply of the special recycling bags will be done with your care, and can be found in the Supermarkets.

The Community Council relies on your cooperation, to environmentally maintain the areas whilst also work together for the protection of the Environment in general through recycling.
